

Quarterly Update January - March 2022

January 2022

Many alumni and community members attended the WHHS Cougar Pride Foundation meeting on January 26th at Angelo's

Barbecue. It was announced that we are changing our name to **Cougar Pride Alliance**, and we will be expanding our services to

include Western Hills Elementary and Leonard Middle School. With grants and help from LVTRISE, these two schools will have portables that will be similar to Cougar Corner. Our work will be reaching all of the kids in our pyramid. With this kind of support, we hope that these students/ families will be less transient because they know that there is community support.

WHHS students achieving A/B Honor Roll during the fall semester were treated to a hotdog luncheon provided by The Foundation.

February 2022

Volunteers dropped off 75 food bags at Waverly Park Elementary and 80 food bags for the students at Luella Merrett Elementary School. The staff was thrilled and ready to give them away with bad weather approaching. We always have bags of food on hand available to our WHHS students, but saw the need at the elementary schools and shared.

Throughout the week (and even on weekends), volunteers make hundreds of sack lunches for students participating in extracurricular activities. Each lunch sack contains a ham or turkey sandwich, granola bar, fruit snack, chips, and cookies.

March 2022

Volunteers assembled 325 food bags to be distributed to students prior to Spring Break. Student volunteers helped move bags to different areas of the school for distribution.

The Foundation was awarded the Heart of the Lion award from the Benbrook Lions at their annual Chili Supper. We are so grateful for the support of the Benbrook Lions Club.

City Council Place 5 Gary Addison with Karen Landon and Patty Pressley as they receive recognition for their continuous support for the Western Hills Cougar Pride Foundation, and Benbrook Lion Renee Franklin.

When possible, students participating in extracurricular activities are served a hot meal in advance of their event. Hundreds of meals are provided each school year to athletes and students in organizations such as JROTC, Choir, Band, and others.

Support The WHHS Cougar Pride Foundation

Volunteer: Volunteers are always needed and appreciated. If you are interested in becoming involved as a volunteer, please send an email to karen@whscougarpridefoundation.org.
